

Math Enrichment Summer Camp *Sponsored by Al-Ridah Academy, Mission Viejo*

*Math Camp is an 8-hour, four session, Math Enrichment course
for students in first to sixth grade.*

Math Camp Objectives

- Assess students at their current grade level and their readiness for the next grade level
- Enhance students existing math skills and build proficiency
- Prepare students for a successful transition to their next grade level

Location: Al-Ridah Academy, Mission Viejo
Date: July, 2009 (specific dates will be announced when classes are finalized)
Time: Will be announced when classes are finalized
Fee: \$60 for Al-Ridah students and \$75 for other students
Instructor: Dr. Hossny El-Sherief, with over 30 years of math instructional experience at all levels

Limited space; register early; priority will be given to Al-Ridah students!
